

## Washington State Hospital Association

### Standardized Transmission Based Isolation Precaution Signage in Washington

The Washington State Hospital Association Safe Table on Eliminating Hospital Acquired Infections has designed standardized isolation precaution signage to help prevent the spread of infections in our hospitals.

**To download only the symbols please go to the links below.**

For feedback or questions, please contact Yogini Kulkarni-Sharma, at (206) 577-1820 or [YoginiK@wsha.org](mailto:YoginiK@wsha.org).
