

Ocean Beach Hospital & Medical Clinics

Right Sizing Rural Health Care

Nancy Gorshe, MSW

Chair, Ocean Beach Hospital Board of Commissioners

INTERNAL RIGHT SIZING

- Tighten our belts
- Earn back lost patients to competitors
- Improve Quality Program & culture
- Strategically invest in growth opportunities
 - Primary Care with new clinic
 - General and Orthopedic Surgery
 - Rehab
 - Swing Bed Unit

EXTERNAL RIGHT SIZING

- Contract for care with local Drug Tx Center
- Regional Cooperative with Providence and PeaceHealth
 - Reduce cost of purchasing services
 - Add specialty care: cardiology, cardiac US, cataract/laser surgery,
 - Activate virtual care models: urgent care, speech, occupational therapy
 - Implement Epic (EMR) and Lawson (ERP)

PARTNERING IS KEY

- Partner with CHOICE Regional Network to facilitate participation in Cascade Pacific Action Alliance's ACH work with WA. HCA
- Partner with Morton & Snoqualmie to obtain enough lives in order participate in an Amerigroup Value Based Purchasing program (upside only to start)

COMMISSIONER WORK

- Understand insurer decisions
 - Medicare & State Medicaid
 - Private Insurers leaving service area
- Continue to study other models being tested
 - Molina, CHPW and UHC care transformation
 - Mental Health integration (w/ single payor)
 - PACE
