

2019 Rural Palliative Care Education Series

Sponsored by the Washington Rural Palliative Care Initiative
and open to all rural communities in Washington

Decisional Capacity: How to Determine Who Can Decide What

Please register in advance:

<https://nwth.zoom.us/join/register/28c7a316d8f38f0034538d7d4481ef37>

After registering, you will receive a confirmation email containing information about joining the meeting.

Tuesday, August 20

12:00 to 1:00 pm

Panelists will discuss how to assess an individual's ability to make healthcare decisions.

Moderated by Pat Justis, Executive Director at the State Office of Rural Health
Washington State Department of Health

Panelists

Andrea "Andi" Chatburn, DO, MA, HEC-C is a palliative care physician in Spokane for Providence St. Joseph Health and the Regional Director for Ethics for the health system's Eastern Washington and Montana Region. Chatburn creates opportunities for healthcare professionals of every discipline to grow in their knowledge of bioethics and apply this at the bedside.

Gregg Vandkiefert, MD, MA is an Olympia based palliative care physician who serves as Medical Director and a Telehealth Expert Panelist for the WA Rural Palliative Care Initiative. Dr. Vandkiefert is Associate Medical Director of the Providence Institute for Human Caring in Torrance, CA, serving WA, OR, CA, MT, AK, NM and TX. He co-chairs the Providence Southwest WA Regional Clinical Ethics Committee.
