

2023 Legislative Biennial Final Budget Details — April 22, 2023

On April 22, the Washington State Legislature finalized their legislative budget for the 2023-2025 biennium. The chart below highlights WSHA's budget priorities, as well as other items of interest to hospitals and health systems, in comparison to the House and Senate proposals from March.

The charts below list state funds and total funds, which includes a sum of general funding from the state (listed as "GFS" below) and other funds, such as federal funds or funds derived from fees or local intergovernmental transfers.

Our top budget priorities for this budget include:

- Hospital Safety Net Assessment Program
- Difficult to discharge
- Health care workforce investments
- Behavioral health investments

Hospital Safety Net Assessment Program

| Budget Item Description | House proposal (3/27/23) | Senate proposal (3/23/23) | Final Budget (4/22/23) | WSHA Position |
|--|--|--|---|--------------------------------|
| The Hospital Safety Net Assessment Program allows the Health Care Authority (HCA) to collect assessments from hospitals and use the proceeds, along with federal match for enhanced payment to hospitals for Medicaid services. | Legislation reflects the recent agreement. | Legislation reflects the recent agreement. | Funding reflects legislative agreement. | Strong Support – WSHA priority |

Difficult to discharge investments (DHS long-term care, developmental disabilities administration)

| Budget Item Description | House proposal (3/27/23) | Senate proposal (3/23/23) | Final Budget (4/22/23) | WSHA Position |
|---|------------------------------------|------------------------------------|------------------------------------|--------------------------------|
| Continue the rapid response nursing team program until June 30, 2024, to provide staffing teams for long-term care facilities facing workforce shortages. | \$17.4 M – GFS \$34.8 M – Total | \$17.4 M – GFS \$34.8 M – Total | \$17.4 M – GFS \$34.8 M – Total | Strong Support – WSHA priority |
| Operations for nursing facility services in Transitional Care Center of Seattle . One FTE position for complex transition planning to home and community-based settings. | \$41 M – GFS \$82 M – Total | \$41 M – GFS \$82 M – Total | \$41 M – GFS \$82 M – Total | Strong Support – WSHA priority |

| | | | | |
|---|--|--|--|---------------------------------------|
| <p>Institutional transitions to help Medicaid patients transition from acute care hospitals, state hospitals and community psychiatric hospitals into settings in the community with more appropriate levels of care. The Governor's Institutional Transitions budget package was a combination of three agency decision packages: Acute Care Hospital Long Length of Stay, Behavioral Health Transitions, and Housing Expansion.</p> <p>The Acute Care Hospital elements included: specialty dementia care (SDC) slots, community stability supports (CSS) slots, TBI slots, non-citizen slots, and 5 FTE to coordinate placements.</p> <p>The Behavioral Health Transitions package included \$791,000 in staff costs for helping people transition out of state hospitals.</p> <p>The Housing Expansion elements included: Rental subsidies for people leaving nursing homes, state hospitals, and acute care hospitals, an interim housing pilot, and program staff.</p> | <p>Rental subsidies: \$2.1 M – GFS \$139,000 – Total</p> <p>Interim housing: \$2.8 M – GFS/Total</p> <p>Community placement incentives (SDC slots, CSS slots, <i>TBI slots</i>, and 5 FTE): \$5 M – GFS 10.1 M – Total</p> <p>Behavioral health transitions: \$784,000 – GFS \$1.5 M – Total</p> <p>Non-citizen slots: \$1.8 M – GFS \$1.8 M – Total</p> | <p>Community housing transitions (leaving state hospitals): \$3.6 M – GFS \$4.4 M – Total</p> <p>Community placement incentives (SDC slots, CSS slots, and 5 FTE): \$2.6 M – GFS \$5.3 M – Total</p> <p>Behavioral health transitions: \$791,000 – GFS \$1.5 M – Total</p> <p>Non-citizen slots: \$1.8 M – GFS \$1.8 M – Total</p> <p>Not funded: TBI slots</p> | <p>Community housing transitions (leaving state hospitals): \$5 M – GFS \$3 M – Total</p> <p>Community placement incentives (16 SDC slots, 30 CSS slots, 6 TBI slots and 5 FTE): \$3.3 M – GFS \$6.7 M – Total</p> <p>Behavioral health transitions: \$791,000 – GFS \$1.5 M – Total</p> <p>Non-citizen slots: \$1.8 M – GFS \$1.8 M – Total</p> | <p>Strong Support – WSHA priority</p> |
| <p>Hospital discharge assessment study to evaluate the impact of requiring functional assessments prior to discharge from acute care hospitals.</p> <p>Taskforce and multi-site difficult to discharge pilot program to address challenges faced with discharging patients from acute care and post-acute care capacity (including incentive payments, administrative support, and HCS assessment).</p> | <p>\$250,000 GFS/Total</p> | <p>\$250,000 GFS/Total</p> | <p>\$250,000 GFS/Total</p> | <p>Strong Support</p> |
| | | | | |

| | | | | |
|--|--------------------------------------|------------------------------------|------------------------------------|--------------------------------|
| 16-bed Traumatic Brain Injury facility in a community-based residential setting to provide specialized services to individuals experiencing a traumatic brain injury with complex medical and behavioral needs. | \$1.5 M – GFS \$2.9 M – Total | Not funded | Not funded | Strong Support – WSHA priority |
| Washington State Institute for Public Policy study on the need for developing specialized long-term services and supports for adults with traumatic brain injuries . | Not funded | \$552,000 – GFS/Total | \$480,000 – GFS/Total | |
| Increase rates for skilled nursing facilities that serve Medicaid clients. | \$107.4 M – GFS \$218.2 M – Total | \$116.7 M – GFS \$240 M – Total | \$104.7 M – GFS \$215.3 M – GFS | Support |
| Increase rates for assisted living facilities that serve Medicaid clients. | \$34.8 M – GFS \$73.7 M - Total | \$44.4 M – GFS \$94.8 M – Total | \$55.7 M – GFS \$116.9 M – GFS | Support |
| Enhanced rate pilot for providers who take specialized training to better serve clients with complex support needs to reduce unnecessary hospitalization of children and adults with intellectual & developmental disabilities. | \$5.2 M – GFS \$10.4 M – Total | \$5.2 M – GFS \$10.4 M – Total | \$5.2 M – GFS \$10.4 M – Total | Strong Support – WSHA priority |
| Specialty adult family home (AFH) pilot for up to 400 clients served by providers that specialize in serving individuals with intellectual or developmental disabilities with co-occurring conditions. | \$6 M – GFS \$13.3 M – Total | \$3.3 M – GFS \$6.9 M – Total | \$3.3 M – GFS \$6.9 M – Total | Strong Support – WSHA priority |
| Development Disability Administration behavior stabilization program to expand capacity for 10 diversion beds and mobile diversion services, as well as increase the rate for service providers. | \$6.8 M – GFS \$11 M – Total | \$6.8 M – GFS \$11 M – Total | \$6.8 M – GFS \$11 M – Total | Strong Support – WSHA priority |
| New program with 33 slots for people with developmental disabilities who are transitioning out of acute care and not eligible for federally funded programs due to their immigration status . | \$5.8 M – GFS/Total | \$5.8 M – GFS/Total | \$5.8 M – GFS/Total | Strong Support – WSHA priority |
| Increased rates for assisted living facilities that serve Medicaid clients with intellectual/developmental disabilities. | \$626,000 – GFS \$1.4 M – Total | \$784,000 – GFS \$1.8 M – Total | \$726,000 – GFS \$1.6 M – Total | Support |
| Increased rates for community residential services , including individualized support services and administrative components, that serve Medicaid clients with intellectual/developmental disabilities. | \$35.1 M – GFS \$70.9 M – Total | Not funded | \$16.5 M – GFS \$33.3 M – Total | |

| | | | | |
|--|------------------------------------|--------------------------------------|--------------------------------------|--|
| DSHS funding to increase the capacity of the LTC Ombuds Program to meet the service demands. | \$2.4 M – GFS/Total | \$1.2 M – GFS/Total | \$1.2 M – GFS/Total | |
| Expand capacity of Office of Public Guardianship to recruit additional public guardians and assist in training. | Not funded | Not funded | \$1.5 M – GFS/Total | |
| Operating cost for with the phase-in of 64 beds in enhanced services facilities and 107 specialized dementia care beds established through the 2021-23 capital budget for behavioral health providers. | Not funded | \$14.7 M – GFS \$29.6 M – Total | \$14.7 M – GFS \$29.6 M – Total | |
| Increase to daily rate for enhanced service facilities . | \$7.8 M – GFS \$15.7 M – Total | \$6.5 M – GFS \$13.1 M – Total | \$7.8 M – GFS \$15.7 M – Total | |
| Increase for specialty dementia care rates for assisted living providers. | \$20.4 M – GFS \$42.4 M – Total | \$11.7 M – GFS \$24.8 M – Total | \$10.9 M – GFS \$22.5 M – Total | |
| Convert from flat rate to add on rate for nursing homes for specialty behavior services, ventilator, and tracheotomy management . House includes traumatic brain injury daily rate increase. | \$4.8 M – GFS \$9.7 M – Total | \$1.9 M – GFS \$3.9 M – Total | \$1.9 M – GFS \$3.9 M – Total | |
| Continued use of Klamath Cottage as short-term option for individuals with developmental disabilities who are ready to discharge from an acute care or state hospital and do not have an immediate placement available. | \$4.5 M – GFS/Total | \$4.5 M – GFS/Total | \$4.5 M – GFS/Total | |
| Pilot for community residential providers to support locating affordable housing for people with developmental disabilities. | \$802,000 – GFS \$1.5 M – Total | \$802,000 – GFS \$1.5 M – Total | \$802,000 – GFS \$1.5 M – Total | |
| Planning for enhanced behavior support specialty contract to provide intensive behavioral services to adults with intellectual and developmental disabilities in community residential settings. | Not funded | \$155,000 – GFS \$276,000 – Total | \$155,000 – GFS \$276,000 – Total | |

Health care staffing and workforce investments

| Budget Item Description | House proposal (3/27/23) | Senate proposal (3/23/23) | Final Budget (4/22/23) | WSHA Position |
|--|-----------------------------|------------------------------|------------------------|--------------------------------|
| DOH to implement SSB 5499 (Multistate nurse licensure compact). | Not funded | \$1.2 M – Total | \$1.2 M – Total | Strong support – WSHA priority |

| | | | | |
|---|---------------------|--|--|--------------------------------|
| DOH to contract with the central nursing resource center to gather data to assess current clinical placement practices and identify policy options and recommendations to help increase the number of clinical placement opportunities . | Not funded | \$560,000 – GFS/Total | \$560,000 – GFS/Total | Strong support – WSHA priority |
| DOH to conduct rulemaking requiring nursing pools to register and disclose corporate structure and ownership as provided in SSB Bill 5547 (Nursing pool transparency). | Not funded | \$55,000 – GFS \$107,000 – Total | \$55,000 – GFS \$107,000 – Total | Strong support – WSHA priority |
