Quality Leader Learning Collaborative: Opioid Stewardship Conference

Portland Airport Embassy Suites
Portland, Oregon

November 9, 2022 | 8:00 a.m. – 3:00 p.m.

Objective:

Support Oregon and Washington State hospitals through an educational, peer-driven collaborative with an awareness campaign and “call to action” for hospitals to implement programs that support at-risk patients or those with opioid use disorder. Peer-led discussion will include:

- Timely, relevant, and evidence-based practices to support opioid prescribing harm reduction
- Information, resources and supportive services for opioid prevention and treatment
- Inclusion, equity, and conversation framework to address stigma with opioid use disorder

Agenda

7:30	Networking Continental Breakfast	
8:00	Welcome and Introductions
