

Join the WSHA

# Health Equity Collaborative

WSHA is recruiting hospitals and health systems to participate in an “all teach, all learn” collaborative focused on implementing fundamental components of health equity:

**Leadership and Culture of Equity**

**Data Collection and Analytics**

**Addressing Social Determinants of Health**

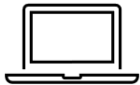

**July 2021 through December 2022**

Complete Equity Gap Assessment

Review Baseline Data

Learn and Action Plan

Implement in Three 90-day Sprints

Receive Peer Coaching

Share Lessons Learned

## Who should participate?

Organizations with strong commitment to health equity, willing to take action and share along the way.

**Action Teams** may include: quality leaders, analytics, translation services, registration staff, discharge planners, patient experience professionals, patient advocates, and social workers.

Interested hospitals/health systems are invited to attend an informational webinar on May 12th at 2pm PT: [registration link](#).
