1	Chapter 246-873A WAC Hospital Pharmacy Associated Clinics. The Pharmacy Quality Assurance Commission (commission) is establishing standards supporting the regulation, inspection, and investigation of pharmacy services provided in individual practitioner offices and multi-practitioner clinics owned and operated by a hospital based on a level of risk and the type of pharmacy services provided at a particular location.	Emergency rule	N/A	Effective Nov 29, 19	SUPPORT	Lauren McDonald Laurenm@wsha.org
1	Revisions to EAP Exemption from the Minimum Wage Act - The Department of Labor and Industries is engaged in rulemaking of the Executive, Administrative and Professional workers ("EAP") exemption from the Minimum Wage Require and Labor Standards statute. The proposed changes would increase the minimum salary threshold for these non-hourly workers, and generally shrink the number of workers who qualify for exemption. This would trigger greater overtime pay obligations. This is the second pre-proposal draft. Formal rulemaking proposal is expected in January 2019. <p>2</p>	<p>WAC 296-20-135 Conversion Factors, WAC 296-23-220 Physical Therapy Rules, and WAC 296-23-230 Occupational Therapy Rules. Medical Aid Rules updates regarding rate setting for most professional health care services for injured workers. These updates may also impact rates for health care services provided to crime victims.</p> <p>The affected rules describe elements used in the process of updating the maximum allowable payments for most professional health care services. These elements are set in rule in order to follow the established methodologies of L&I and maintain consistency with the Health Care Authority and Medicaid Purchasing Administration. Specifically, the proposed rule changes will do the following: 1. WAC 296-20-135: Update the conversion factors used by the department for calculating reimbursement rates for most professional health care and anesthesia services. The conversion factors will be updated to correspond to changes in the medical procedure codes, the relative value units, and anesthesia base units. These changes will enable the department to continue a reimbursement methodology consistent with other state agencies. Cost-of-living increases may be incorporated into the changes in the conversion factors. 2. WAC 296-23-220 and 230: Update the maximum daily reimbursement level for physical and occupational therapy services so the department may, if necessary, give cost-of-living increases to affected providers.</p>	<p>Pre-Proposal</p>	<p>N/A</p>	<p>N/A</p>	<p>MONITOR</p>	<p>Andrew Busz andrewb@wsha.org</p>
