Reflections

How confident did you feel leading or participating in this huddle?

- Still learning Not very confident Somewhat confident Very confident NA (observer only)

What types of support or learning would be most helpful to increase confidence with TeamBirth huddles?

- Short refresher in-person or virtual Role-play or simulation Coaching during real huddles
 Job aids/quick reference tools Example videos More chances to lead huddles
 Other:

What specific actions or huddle behaviors worked well during this huddle?

What made this huddle harder than ideal, or what limited its effectiveness?

What is one small change that would make the biggest difference next time?
