Compassionate, Seamless Care

84th Annual WSHA Member Meeting

Thursday Evening Event: 14th Annual PAC Appreciation Dinner

5:30–6 p.m. Transportation to the Columbia Tower

6–8:30 p.m. Dinner at the Columbia Tower Club

The Washington Hospital Political Action Committee is an important way for hospital and health system leaders to elect champions and engage with elected officials. Each year, we invite PAC donors who contributed \$350 or more to a fun evening to show our appreciation. This year we're excited to welcome guests to dinner on the 76th floor of the Columbia Tower, where 360-degree panoramic views show off breathtaking views of the city and the surrounding mountains.

Hospitals and health systems have much at stake in the political process on issues including regulation, patient access to care, reimbursements and more. Your support helps us elect strong lawmakers and allows us to build relationships with them. You can make a contribution to the PAC on the WSHA website at wsha.org/whpac using the password "WHPAC."
