P.O County one of only four counties w/o any form of EMS levy.

Seven counties are EMSD inclusive (P.O County would be number eight).

Seven counties have hospital districts (PHD's) w/EMS levies. We do not see that as a viable option.

Fifteen counties have an EMS District w/90%+ coverage of the County general property tax valuation

Coversely, eleven have EMS Districts coverage w/less than 50% of the CGTV.
