Today's Objectives

- Updates on Safe Deliveries Roadmap project
- Learn best practices related to second stage labor management
- Hear how to address abnormal labor progression in second-stage
- Identify the relevant evidence supporting practices that can decrease unnecessary Cesarean births

Partnership for Patients

- **40** – Percent reduction in harm
- **20** – Percent reduction in readmissions
- **14** – by 2014

Saving Lives

10 Targeted Strategies

Infection Reduction:

1. Catheter-associated urinary tract infections (CAUTI)
2. Central line-associated blood stream infections (CLABSI)
3. Surgical site infections (SSI)
4. Ventilator-associated pneumonia (VAP)

Nursing Care:

5. Injuries from falls and immobility
6. Pressure ulcers

High Risk:

7. Adverse drug events
8. **Obstetrical adverse events**
9. Venous thromboembolism or blood clots (VTE)

Continuity of Care:

10. Prevention of readmissions

Cultural Transformation
Leadership Engagement
Patient and Family Engagement

OB Adverse Events

- Partnership for Patients: 2012 – 2013
 - Early Elective Delivery Prior to 39 Weeks
 - Episiotomy
 - Safe Deliveries Roadmap
- Partnership for Patients: 2014
 - Early Elective Delivery Prior to 39 Weeks
 - Episiotomy
 - **Safe Deliveries Roadmap** ← **Today's Focus**
 - Pre-eclampsia
 - Hemorrhage

Hot Off the Press!

<http://www.komonews.com/news/consumer/Overuse-of-C-section-deliveries-258533471.html>

<http://www.consumerreports.org/cro/resources/streaming/PDFs/Consumer-Reports-Hospital-Ratings-Avoiding-C-sections-FULL.pdf>

The screenshot shows the top of a news website. The header includes the logo 'KOMOnews.com' with a city skyline graphic, and weather forecasts for Friday (High: 57°), Saturday (High: 62°), and Sunday (High: 67°). A navigation bar contains links for News, Weather, Traffic, Sports, Healthworks, Seattle Refined, KOMO 4 TV, and KOMO NEWSRADIO. The main article title is 'Excessive C-sections: Hospitals respond to Consumer Reports study', with a byline 'By Consumer Reports and Connie Thompson' and publication details. Below the title are social media sharing buttons for Facebook (10), Google+ (0), and Twitter (0), along with options for 5 Comments, Print, and Email. The main image is a close-up of a newborn baby's face, wearing a white knit hat and wrapped in a blue and pink striped blanket. A 'PLAY VIDEO' button is overlaid on the bottom left of the image. On the right side, there is an 'Advertise' section and a 'MOST P' section with small thumbnail images.

Presented at Washington State Hospital Association Safe Table Webcast May 20, 2014

Safe Deliveries Roadmap

Roll-out

- Laying the Foundation: (July 2013 and on-going)
 - Readiness assessment
 - Education
- Testing (LEAPT): (December – June)
- Implementation: (July 2014)

AND, THEY'RE OFF!

Next Steps

- Finish testing
- Disseminate tools to all hospitals
