

WA DSH 2013 PROVIDER TRAINING

QUESTIONS & ANSWERS

April 7, 2016

1. When will the Surveys be sent out?

- The DSH Survey Part I & Part II were emailed to providers who received a DSH payment on Friday, April 1, 2016. If you have not received the DSH Surveys and Exhibits A-C, please contact Johstin Williams (jwilliams@mslc.com) or Erik Grimes (egrimes@mslc.com).

2. When submitting the Exhibit A, B, and C detail data worksheets, do you need the summaries where data is grouped by cost centers and payors, or just the raw data files?

- The raw data files will be sufficient. If you have summaries, you can submit them as well.

3. The main changes from last year are two more payment categories, right?

- Correct. This year we are asking providers to separate the payments by payor type.

4. When will fee for service data be available on the FTP site?

- We are currently working with the State to obtain the fee for service data. We expect to have the data within 5 – 7 business days. If there are any major delays, we will revisit the due date for submission with all providers.
